

BOOKING IN FORM

Re: Primary School Holiday Breaks

Primary School holidays dates may vary and you need to check with your child's individual school to see when your child is going to be on holiday.

If you would like your child to attend for a specific time for the Holiday Club (Beehive Club), please print off this form and sign the consent slip below with your child's name and write the date/s you require.

If you wish to make any changes at all, you must do this at least one week prior to the start of the holiday period. Once the Primary School holiday has started, we cannot make any deletions and you will be charged for the dates you have booked.

Yours faithfully,

Jean Beales

I would like my child/ren
